The **Six Million Dollar Capital Campaign** is the most critical element in the full development of the **Center for Advancing America's Heritage**. It allows for the construction of an expanded modern genealogical and historical library on adjacent property already acquired and zoned for that purpose. It will greatly enhance our educational capabilities. To see our latest educational outreach project, go to www.rsar.org

The SAR Foundation, Inc. exists solely for the purpose of supporting the projects and programs of the National Society of the Sons of the American Revolution.
